LEGAL COUNSEL DIVISION (LCD), 10/24/86, [REDACTED]

The Criminal Investigative Division (CID) proposes disclosure to the [REDACTED] of information concerning [REDACTED]. The Privacy Act of 1974, 1/ as applied to this matter, directs that, in the absence of [REDACTED] consent, data concerning him be disclosed by the Federal Bureau of Investigation (FBI) only if one or more alternate conditions are satisfied. 2/ [REDACTED] has not authorized FBI disclosures concerning himself. b7c

One of the Privacy Act's alternate conditions permits the FBI to make "routine use" disseminations; i.e., releases which are compatible with the purposes for which information was first collected. 3/ Pursuant to statutory direction, 4/ the FBI publishes notices identifying, among other things, routine uses for information in FBI records systems. The most recent Central Records System notice 5/ includes a provision specifically referenced in the memorandum to which this addendum pertains:

Disclosure to a state...government agency...not directly engaged in the criminal justice process...is considered on an individual basis only under exceptional circumstances, as determined by the FBI. 6/

Legal Counsel considers the preceeding routine use inapplicable to the matter at hand, by virtue of rules which are observed in applying that language to particular situations. 7/ Fortunately, a second Central Records System

4/ Id. at § 552a(e)(4)(D).

5/ 51 Fed. Reg. 3677-90 (1986).

6/ Id. at 3688 (emphasis added).

7/ The criteria observed in making exceptional circumstances determinations are set forth in a Legal Counsel addendum to a memorandum from Mr. MONROE to Mr. MINTZ, captioned "EXCEPTIONAL CIRCUMSTANCES" CONTROLLING DISSEMINATION OF FBI RECORDS TO STATE/LOCAL GOVERNMENT AGENCIES FOR REGULATORY/LICENSING PURPOSES, dated 5/2/83. [REDACTED]

Memorandum from Mr. Clark to Mr. Davis, dated 3/17/86
Re: National Alliance, aka Cosmotheist Society,
Domestic Security/Terrorism

LCD Addendum Con't:

b7c routine use will, in Legal Counsel's opinion, permit the contemplated disclosures concerning [REDACTED] That routine use provides:

Information in this system may be disclosed...to an organization...in...the public...sector where there is reason to believe the recipient...could become the target of a particular criminal activity or conspiracy, to the extent the information is relevant to the protection of life or property. 8/

b7c Legal Counsel's determination of the applicability of that routine use to CID's proposal is based on several factors: (a) the National Alliance, to which [REDACTED] belongs, is a group which anticipates, and which aims at fomenting, racial revolution in the United States; (b) [REDACTED] as a condition precedent to membership in the

b7c [REDACTED] and thwarting the National Alliance in its endeavors.

b7c For the foregoing reasons, Legal Counsel concurs in CID's proposed dissemination regarding [REDACTED]

Gentlemen:

I call your attention to a very strong case of suspected "terrorist" activities here in West Virginia. This is taking place at Smithville, West Virginia, on the property of [redacted] who own all this property, where this taking place. Smithville is located in Ritchie County, some 12 miles from Harrisville, West Virginia, on route 16. Actually, this land is farmland, owned by [redacted] and is located some [redacted]

In past times, on the above lands, there has been machine gun practice, mortars, hand grenades, and such, by many people, from many other states. In fact, there was a documentary on a Huntington, West Virginia TV, WOWK channel 15, showing just this, in detail. I have been informed, they shot these pictures with a high-powered close up lense, and I personally saw this on this same TV station. This was some 4 or 5 months ago, and it shown as I recall, in the AM one day.

Its like a commune out at Smithville, on [redacted]. In past times, there have been Hitler Swastikas painted all over our public highways, especially in and around Smithville. And its said this has been laid at the door of [redacted]. And its strongly rumored [redacted] supports the Klu Klux Klan, and son on. [redacted] And he hates all Jews, very much!!

[redacted] is not liked around here, by anyone. He is not welcome anyplace. He does not work, has no income. Yet he lives very lavishly, and has plenty of money. He is said to travel a lot, and does a lot of writing. He has been known to distribute subversive literature, against our country.

He is a strong admirer of Adolph Hitler, admires Kadiff, Libya, and thinks Marcos of the Phillipines is also a great man. He says the foregoing people are good for us, and should rule our world. Many say [redacted] is a dangerous man, one to be feared.

I feel this should be investigated further, for fear we have here, a "Terrorist" training camp in our very midst. I will be glad to work with you in any manner, in any way I can. Thanks.

THIS TELETYPE APPRISES THE PITTSBURGH DIVISION THAT THEIR LHM DOES NOT FURNISH SUFFICIENT INFORMATION TO AUTHORIZE A FULL DS/T INVESTIGATION. ENCLOSURE

NATIONAL ALLIANCE, aka

b7c [REDACTED] Additional investigation determined that during October, 1984, PIERCE had purchased 346 acres for \$95,000 cash in Pocahontas County, West Virginia (WV). Subsequently, PIERCE relocated the headquarters of the National Alliance from Arlington, Virginia (VA), to Pocahontas County, WV.

The National Alliance was formed from the reorganization of the National Youth Alliance (NYA) in approximately February, 1974. The N/A was described as a superstructure for an anticipated array of specialized coordinate groups. The NYA continued as the youth group for persons under thirty years of age, and the N/A for persons over thirty years of age. The NYA is a coalition of conservative youth groups whose purpose was to control certain campus oriented groups which were causing chaotic conditions in the United States college campuses. The NYA promotes white racism and antizionism, suggesting violent revolution as the ultimate means for implementing their ideals in the United States. The NYA is opposed to the use of dangerous drugs, anarchism, marxism, other radical groups, foreign wars and black organizations. The organization publication was known as Attack.

b7d [REDACTED] There were approximately twelve cities considered to be activist, which included Alexandria, VA; Springfield, Massachusetts (MA); and Wilmington, North Carolina (NC).

In 1972, the NYA published a series of articles entitled "Revolutionary Notes", instructing readers in the construction and deployment of simple explosives, incendiary devices and the techniques of urban guerilla warfare. Articles in Attack advocated political assassination and destruction of the system by total revolution. The organization advocated violence if other means failed to control radical campus groups.

During the weekend of September 6-7, 1986, a dedication was held at the Cosmotheist Community compound wherein the headquarters building was officially completed and opened. PIERCE had established a print shop, computer center and other offices at that compound for engaging in fundraising and establishing a computer network for the right-wing extremist groups.

b7c [REDACTED] have made several unsuccessful efforts to purchase a storefront building in Hillsboro, WV, for purposes of establishing a bookstore from which to establish public contact and raise funds for the sale of published materials available through the Vanguard Press, an affiliate of National Alliance.

Extensive financial records, personal correspondence, computerized National Alliance mailing lists and other significant intelligence information were recovered from a landfill in Pocahontas County, WV. A review of these materials has determined an established mailing list of National Alliance associates not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

A review of a National Alliance Bulletin dated November-December, 1986, contained an article concerning recruiting guidelines for the National Alliance. Contained in this section of the bulletin in part was the following quote:

"There is a greater need for recruiting members inside the system; persuading men and women who now occupy positions in the government, the armed forces, educational establishments and a wide range of industries to remain where they are and begin using their positions to serve the alliance. This need is the consequence of both a deceased reservoir of potential cadres and the lengthened revolutionary time scale with which we must contend. When we cannot have as much internal strength as we would like, then we are more dependent on allies inside the enemies camp ..."

DO: [REDACTED] DOMESTIC SECURITY/TERRORISM

NATIONAL ALLIANCE, AKA COSMOTHEIST COMMUNITY,
MILL POINT, POCAHONTAS COUNTY,
WEST VIRGINIA; DOMESTIC SECURITY/TERRORISM;
OO: PITTSBURGH

The Turner Diaries describes the overthrow of the United States Government by a group of violent right-wing extremists. The Turner Diaries was authored by DR. WILLIAM LUTHER PIERCE, using the pen name ANDREW MACDONALD.

The NATIONAL ALLIANCE promotes white racism and anti-Semitic views and advocates violent revolution as the ultimate means to implement these ideas. ROBERT MATHEWS, the leader of the "Order," was a member of the NATIONAL ALLIANCE

In late 1984, [REDACTED] relocated the NATIONAL ALLIANCE from Arlington, Virginia, to a 360-acre tract of land he purchased in Pocahontas County, West Virginia.

The property purchased [REDACTED] is located in a remote area of West Virginia. Ground surveillance of [REDACTED] the compound is exceedingly difficult. Anyone from outside the area can be readily identified as a stranger by the local residents. Furthermore, the mere presence of strangers is information which is disseminated quickly throughout the area.

Memorandum from B. A. Ricks to Mr. Clark

[REDACTED]

[REDACTED] is one of eight primary subjects in a major investigation of the right-wing being conducted by the Little Rock Division. Little Rock anticipates having indictments in this investigation returned in early 1987. Little Rock believes that of the eight right-wing leaders being investigated in this matter, their case on [REDACTED] is the weakest. The Pittsburgh Division believes that whether [REDACTED] is indicted in the Little Rock investigation or not, they will have a continuing investigative interest in the activities at the NATIONAL ALLIANCE compound. If [REDACTED] is indicted and subsequently convicted, Pittsburgh anticipates that a successor will continue [REDACTED] activities at the compound. If [REDACTED] is not indicted, he will return to the compound and proceed with his right-wing revolution activities.

[REDACTED] The necessary exemptions for a covert purchase would be obtained from the Attorney General.

Memorandum for Mr. A. R. B. to Mr. B. B. B.

b7d On November 8, 1986, a search was conducted by

[REDACTED] at the Pocahontas County, WV, landfill/garbage dump.

This search resulted in the recovery of extensive financial records, personal correspondence, computerized NATIONAL ALLIANCE mailing lists and other significant intelligence information.

A review of these materials has determined an established mailing list of NATIONAL ALLIANCE associates, not only throughout each region of the United States but also in South Africa, West Germany, England, Canada, Mexico, Norway, France, Switzerland, Spain, South America, Sweden, Italy, Australia, Belgium, Portugal and the Middle East.

At present, and as a result of recent news media attention focused on PIERCE and the NATIONAL ALLIANCE/COSMOTHEIST COMMUNITY compound, Pocahontas County, WV, there are current efforts being made to initiate legislation in the West Virginia House of Representatives and State Senate to outlaw para military training and/or groups within the State of West Virginia.
